I have you enjoyed when I  
had the pleasure of making  
your acquaintance in Jamaica

Jamaica, dear Brother,

Yours affectionately

Cincinnati, May 4/47.

My dear Brother,

29

I was quite delighted yesterday, when informed by our friend Goodman of your arrival in Town. I called to see you but you were from home. The Rev<sup>d</sup> Mr Boynton very much wishes an introduction to you, which, by your permission, I have promised to give him. This day, at <sup>2½ or</sup> 3 o'clock. Hoping I shall find you in better health
